

FBI drug bust in Findlay yields illegal substances

The Hancock County Special Response Team and Hancock County METRICH Drug Task Force assisted the FBI and Task Force Officers with multiple search warrants in the 100 blocks of Shinkle Street and Western Avenue in Findlay Wednesday.

Law enforcement officials said the 7:30 p.m. search yielded large amounts of drugs, including:

- 500 grams of Cocaine
- 500 grams of Ketamine
- 144 grams of Psilocybin mushrooms
- 25.25 grams of MDMA
- 129 suspected acid tabs
- multiple items indicative of drug trafficking

Findlay police said they will not be releasing address or suspect information due to it being an active investigation.

Additional charges of trafficking in drugs are expected at the conclusion of the case, a release from METRICH reads.
